Footpath Officers Comments/other

Review of Mid-Devon Council - Local Plan Viability Assessment. To review assessment by Dixon Searle part of this adjoins North Devon patch. JB to review documents
Ramblers have launched two informal groups for volunteers for shared information & advice on ROW issues
(1) RamblersFP main purpose to discuss & share information on existing rights of way issues
(2) '2026' discussion group for those working on 'Don't Lose Your Way' project
JB to investigate further. Group (1) 'RamblersFP' appears of interest, I assume it will be electronic participation
Area fp officer's meeting at Chudleigh 26/9 - unable to attend
